

# Appendix A

## *Contributors to the Commission's Work*

The following individuals directly contributed their expertise to the work of this Commission. Forty-eight of these individuals testified at one of our four public hearings. Others participated in the work of the task forces. Still more offered written submissions to our work. We acknowledge them below.

The Commission wishes to express its gratitude to these experts, as well as to the hundreds of citizens from across the country who, in the democratic tradition, generously contributed their opinions for this report.

For those individuals who testified in a public session of the Commission, we have noted the date and place of their testimony so that interested researchers can locate the transcripts of what they said. All of the hearing transcripts are available at [www.reformelections.org](http://www.reformelections.org).
